VOL. XXIX. NO. 20. BOSTON, MASS., THURSDAY, OCTOBER 21, 1909 PRICE ONE CENT

BIOLOGICAL DINNER AT HOTEL PLAZA

Dr. Wheeler To Speak On "Remarkable Instincts In Arts"

The Biological Society will hold its first diner on Thursday evening, October 21, at 6:30 o'clock. Hotel Plaza is to be the scene of the dinner and a fine program has been arrenged.

Dr. William M. Wheeler will speak on "Some Remarkable Instincts in Arts." As Dr. Wheeler is an authority in his line, a very interesting as well as instructive evening is assurred. He will illustrate his lecture with stereopticon views.

It has been the custom of the society to give an entertainment of a comic nature during the dinner. In accordance with this custom the Noise Committee will present a piece, a one-act tragedy entitled "The Simmons Choir or Once a Biologist Always a Minister." This will also be accompanied by stereopticon slides that have been selected with the view of keeping the biologists in good humor.

Dinner tickets are to be 75 cents and almost sixty men are expected to be present. Tickets may be secured from any one of the following men: H. O. Jenkins 1909, P. K. Brown 1910, and E. C. Howe.

The four-piece orchestra of the Biological Society will render selections throughout the evening.

COURSE XIII DINNER

Naval Architecture To Hold First Meeting Friday

The Naval Architectural Society will hold their first informal dinner of the season at some down-town hotel on next Friday evening, October the twenty-second. All members of the society are requested to meet on the corner of Tremont and Boylston Streets at 6:45, from whence they will proceed with all due ceremonies to the banquet hall.

Upper classmen in course XIII say that they are going to have a live society this year and expect to have this little celebration followed by many more of this same type. The next regular meeting of the society will be held next Tuesday in Engineering "C" at four o'clock, where new members from the sophomore class will be elected to the society. Later in the year a number of formal dinners wil be held, at which addresses will be made by members of the faculty and by prominent naval architects.

SHOW BUZZ WAGON

Invitations to all old show men entitled to ride in the Show Buzz Wagon on November 5 are now in the mail, and the men should receive them this afternoon or tomorrow morning. Applications should be left at the Cage for H. C. Davis as soon as possible, as the capacity of the wagon is limited to about forty.

At the November meeting of the American Society of Mechanical Engineers. Professor Lanza and Mr. L. S. Smith 1900, will present a paper on "Reinforced Concrete Beams."

1911 NOMINATES MEN FOR OFFICES

Voting Begins October 25 Thirty Nominees For Offices

Wednesday 1911 closed their nomination for officers for the Junior year. S. B. Copeland, P. D. White, L. G. Odell, and H. H. Williams were nominated for the class presidency. Copeland was on the Tug-of-War (1), (2), Theatre Committee (1), Auditing Committee (1), and Treasurer (2). White was on the Gym team his freshman year. Odell was manager of the football team (1), Glee Club (2), football team (2). Williams was class secretary (2), T. A. A. (2), football manager (2), basketball (2), baseball (1), (2), football (1), (2).

The nominations follow.

President—S. B. Copeland, L. G. Odell, P. D. White, H. D. Williams. Vice-president—L. C. Cooley, E. R. Hall, W. W. Warner. Secretary—H. C. Davis, O. B. Denison, A. W. Yereance. Treasurer—W. H. Coburn, M. Coffin, E. A. Nash. Clerk—M. B. Brownlee, Jr., M. A. Grossman, C. R. Johnson. Executive Committee—K. W. Faunce, L. G. Fitzherbert, I. W. Wilson. —Institute Committee—J. C. Fuler, C. F. Hobson, C. P.

(Continued on page 4.)

PRES. MACLAURIN TO SPEAK

Will Address Undergraduates At Union Friday Night

Tomorrow night President Maclaurin will address the undergraduates at the first Friday night entertainment of the year. A very large attendance is desired, both to do honor to President Maclaurin and because this is the first Friday Night this year and the more men there are present the better time everyone will have.

Refreshments wil be served after the speeches, for which tickets may be bought at the Union for ten cents.

MR. DANIEL BURNHAM TALKS TO COURSE IV

Architects Hear Lecture On Improvement and Beautifying Of Cities

The Architectural Society held its first smoker in Pierce last night. The principal object of the meeting was the address delivered by Mr. Daniel H. Burnham. Mr. Burnham was the supervisor of the architectural part of the World's Fair, is on the committee for the Beautification of Washington and Chicago, and was selected by President Taft for the purpose of laying out Manila P. I. in the best possible manner. He is also the designer of the Flatiron Building and the Equitable Life Building in New York.

Mr. Burnham told about the early beautifying of Chicago and the influence the World's Fair had on it. The plans for Chicago of the future include a boulevard along the entire shore of Lake Michigan. This road is to be built by the government with the help of the towns that are benefited by it. A Park system is to be developed in and about Chicago of about sixty acres. Plans are being made for the growth of Chicago to sixty miles outside of its present environs. A new system of handling freight will be used by the railroads and they will be run by electricity instead of coal, thus obviating the present great smoke nusience.

The Remodelling of Washington was brought up next. The Mall, which a few years ago was used for a drive way only, will be lined with a great many new government buildings. These will eventually take the place of the present office buildings about Washington. The Pennsylvania Railroad is to be removed and a new station is being designed for it.

Mr. Burnham showed some lantern slides of cities in this country and Paris, thus contrasting home and foreign methods in city beautification.

CATHOLIC CLUB

Holds First Meeting--Father McCarthy Talks About Club

Last night at the Union, the first regular meeting of the Catholic Club took place. As it was an informal meeting, there were no speakers of prominence.

Pres. White called the meeting to order and outlined the plan of the club for the ensuing year. He urged the members to get together and to interest all their friends in the welfare of the club. Following last years example the committee in charge will endeavor to procure speakers of prominence to address the members.

Father McCarthy, the spiritual director, gave a short informal talk on the origin of Catholic clubs in all the large colleges. He outlined the chief purpose of the club, which is to safeguard the Catholic young men from all evils which tend to draw them from the ideals fostered in his home. Father Patterson, the Vicar-general of the Boston Diocese, who was also present, gave the members an interesting little talk. He urged them to get out and know each other, saying that there is nothing more precious in this world than a good friend.

There were about forty members present and about half this number were freshmen. It was decided to hold the meetings once every three weeks. After the meeting a collection was taken. The party disbanded at about ten o'clock.

ANNOUNCEMENT OF FIELD DAY PROGRAM

Flying Start In Relay Race Is Principal Change In Rulings

Field Day will start promptly at 2.10 p. m. on Nov. 5th, 1909. As usual the ratings are four (4) points to football winners; three (3) points to winners of the relay race; and two points (2) points to tug-of-war victors.

The order of the day will be as follows:

Tug-of-War (first trial)—2.10 P. M.
Football (first half)—2.30 P. M.
Relay Race—3.05 P. M.
Tug-of-War (second trial)—3.15 P. M.
Football (second half)—3.25 P. M.
Tug-of-War (3rd trial, if necessary)—4.10 P. M.

All teams are required to be on the field promptly at the time designated, and all events will be started exactly on time.

Nov. 6, 1909, the day following Field Day, a dinner will be given to all officials, marshals, competitors, managers and coaches of teams in the Union at 7 P. M.

One change in the rules governing the relay race is of importance, the substitution of the flying start for the old standing start. The following rule will give the exact statement of the new ruling:

Event II. A Relay Race of a mile and a half to be run by twelve men of each class, each man to run one-eighth of a mile. The sequence of runers shall be assured by the passing of flags from man to man, the successive runer shall start from the mark, and shall not be behind the line when he receives the flag. The Relay Race will be run immediately at the close of the first half of the football game and men must be on the field at once.

In this rule, the change is that the runners may leave the mark and take the flag with a flying start, instead of being stationary with one foot on the line as last years men were required to do.

This new ruling should give the relay teams a chance to establish a new record as the record could have been lowered easily last year were it not for the necessity of making this kind of a start.

The conditions governing the other events have been posted on the Bulletin Boards in the Union and Rogers.

This year's Freshman class have chosen for their athletic colors the Princeton Orange and Black.

The Technology Review will appear about the last of this month, with full accounts of what the classes have been doing since the reunion of last June. This publication is now in its second year of its revised form as a magazine to interest and inform the graduate.

CALENDAR

BOSTON, MASS., OCTOBER 21, 1909.

The Tech takes pleasure in announcing the appointments of Hamilton Merrill 1912 to the Business Board as Advertising Manager, and of the following as Circulation Associates: Sidney C. Neff 1912 in charge of the mailing and distribution; Henry D. Kemp 1912 in charge of the poster announcements, and Alexander Yereance 1911 in charge of the notice column, and of Herbert W. Hall 1912 to the Business Staff.

CROSS COUNTRY

The condition of the Harvard team and the names of last years men who showed up well in the race with Tech may be an interesting article for those who are already trying to dope out the results of the race this year and who have no knowledge of the Harvard team.

The great Jaques, who is undoubtedly one of the best distance men in this part of the country, and the winner of last years race, is out of the game because of an accident to his foot during the summer vacation and he is now putting in his time training the candidates for the team. Dole is not running this year according to reports from Harvard, and as he was the third man to finish last year, the Harvard team is looking for some man to replace him. Whitney and Harding who fininshed seventh and ninth respectively in last years race are both in the running, and these men are both track men of ability, but they will hardly replace Jaques and Dole.

EXCHANGES

Governor Charles E. Hughes of New York, will give the William Earl Dodge annual course on "The Responsibilities of Citizenship," at Yale University begining November 15. Professor William W. Campbell, of the Lick Observatory, California. will give the first Silliman lecture on some scientific subject involving research, on January 30, 1909.

Averse to the cognomen "Aggies," the students of the Agricultural College of the University of Minesota held a rousing mass meeting to demand the respect and recognition due them.

The students of the University of Kentucky celebrated their victory over Illinois by indulging in in a night shirt parade.

The musical clubs of Amherst and Williams Coleges will give a joint concert December 1 at the Academy of Music in Northampton.

Since February 25, 199, there have been added to the Williams Colege Library 1451 books, making the total number at present 65,772.

CURRENT EVENTS

Whether the eight-hour day should be contested for in legislative bodies or through the medium of the strike was the subject of an animated discussion before the United Textile Workers of Aemrica at its session yesterday. Various emergency committees in several sections of the country were empowered to order local strikes.

For the first time in California, a woman was yesterday sworn in as a juror.
